

PRESS RELEASE- FINAL-UPDATED

Gloucester, MA (May 2, 2022)

Gorton's Seafood is voluntarily recalling frozen seafood item, Gorton's Fish Sandwich - 100% Whole Fillets, 18.3 oz, due to the isolated and unusual potential presence of large and/or sharp bone fragments. While there have been no reports of injury from the product to date, the company is taking this action to ensure the safety and well-being of all of our consumers. Consumption of this recalled product may pose a choking hazard or other physical injury.

The company is recalling 504 packages made on a specific date, in a specific time range and sold to select retailers (see list below). The recalled product can be identified by the date code and time range listed below.
